Ordinary General Meeting – September 15th, 2014

Treasurer's Report for School year ended August 31st, 2014

Income:

Our biggest fundraising events were the Christmas Fair and Summer Fair with the profit reaching over one thousand pounds for each event. The summer fair was also a great success, perhaps a better forecast we would have made a little more. Toasty Tuesday provides a steady income each week which gives a substantial amount at the end of the year.

The bingo night proved a great success, even though we had to fund the entire bar purchases this year we made a very good profit.

The two cinema nights have also produced over £500 over the two nights
