

Friends of Buckton Vale PTA
Ordinary General Meeting – September 30th, 2013
Treasurer's Report for School year ended August 31st, 2013

Income:

Our total income for the year was £5002.58. The attached sheet gives further details of how the money was raised. Our biggest fundraising event was the Christmas fair with the profit reaching over one thousand pounds. The summer fair was also a great success, perhaps due to the great weather and also the year 6 enterprises. Toasty Tuesday provides a steady income each week which gives a substantial amount at the end of the year.

The bingo night proved a great success but we had virtually all potential expenditure donated by Cosmo Bingo.

Expenditure:

Our total expenditure for the year was £2149.96. Much of this money was spent helping the school pay for new books (£1000). We also paid for some equipment for the playground (£40.00).

We have also purchased Two Large gazebos for outdoor activities in school (£164.00) and we had to purchase a new Santa suit (£108.98). We also spent £173.98 on raffle prizes for the summer fair (T.V. and Hifi).

Other:

We started off the school year 2012 with £344.52 in the bank.

We start off the school year 2013 with £3197.14 in the bank.

Many thanks to everybody who helped raise money this year and to the school for finding ways of spending it so that all the children benefit from our efforts.

Dave Ball
Treasurer

September 24th, 2013

Event	Profit Made
Coffee Morning 25/10/12	£37.45
Christmas Fair 03/12/12	£1492.36
