Dear Parents,

I am sure you have all heard Boris Johnson tonight make further decisions regarding social distancing and staying at home.

Please consider whether sending your child to school is the best and only option for you. Today, we had over 35 children on the premises. This is too many to follow social distancing guidance & requires a significant number of staff. Without your help, I will be forced to scrutinise which families need the support most.

I have also taken the difficult decision to remove after school care in order to best safeguard the adults and children within school with immediate effect.

Thank you in anticipation of your support.

Mrs Brown and your Buckton Vale team.
