COVID – URGENT ATTENTION REQUIRED – SUPPORT FOR KEY WORKERS

Dear Parents and Carers,

The Government have now released a comprehensive list of key workers who are to be supported via school. The guidelines to key workers suggests that:-

'Many parents working in these critical sectors may be able to ensure their child is kept at home. Every child who can be safely cared for at home should be.'

Below is a form for you to **complete and return via together@bucktonvale.tameside.sch.uk today by 2pm** should you believe you require support from school over the coming weeks, months.

I understand that this is a difficult time for everyone but I must stress that if too many requests are sent in this will put the entire system in jeopardy for those key workers who really need our support. The school have been advised to take no more than 10% of the children in school in an attempt to keep everyone safe and well. For this reason, school will provide care in the first instance for those families where both parents are key workers.

Please click the link below for the key worker list.

Once all forms are in I will contact you with an offer of support or our decision to decline due to the volume of requests.

With love and positive support to you all.
