URGENT - PLEASE READ

Public Health North West have just publicised that the R rate has risen above 1.

Our School along with Tameside have therefore decided that schools WILL NOT NOW OPEN more widely as of next Monday 8th June.

Please therefore DO NOT bring your child to school unless they have been permitted to attend under Keyworker or Vulnerable categories already.

Please note this is a borough wide decision which ALL Tameside Schools must follow. I fully understand how difficult this situation is for everyone. Please accept my heartfelt apologies and wishes for good health to you and your families.

Kind regards,

D Brown

Mrs D Brown
Headteacher
