

Please can I remind parents that school is a NO nut site. Today, we have had another child come into school with a Nutella sandwich. Luckily this was spotted so no further action was required. However, I must stress the importance for you to check your child's packed lunch when we return next term. Thank you for your cooperation in this matter.

### Message from Mrs Quinn

What a busy term this has been at Buckton Vale! The children have worked extremely hard and have adapted well to the changes that have been made. Thank you to everyone who has wished me well in my new role - hopefully we can continue to work in partnership to make Buckton Vale an even better place to be. We said a fond farewell to Mrs Thompson who retired after almost 30 years at Buckton Vale. We also said Goodbye to Mr Devlin who has covered maternity leave for Mrs Mansey since the beginning of this year. We wish them both all the very best for the future. I hope you all have a lovely Easter!

*Mrs Quinn*

### Important Dates & Upcoming Events:

We still have a large number of parents who have not updated their child's consents / permissions on Arbor.

Consents and permissions are needed for all sorts of reasons: photographs for use in school, photos on social media / newspaper articles, to be able to administer first aid when necessary, for pupils to attend trips, participate in food sampling lessons, watch films etc.

Reminders have been sent out regularly regarding this. Please can we kindly ask that you log into your Arbor account and check that ALL the consents have been agreed or declined (whichever your preference).

### Attendance

Congratulations to our Yr3 Silver Birch Class for becoming top again this week! Can they make a hat trick again when we come back after the Easter Break?
