

- School Meals: This week we have had lots of children refusing to eat their lunch. They say that they do not like it. Please select meals with your child to avoid this unnecessary upset..
- If you are providing a packed lunch, can we send in healthy meals. This week we have numerous children with packed lunches full of chocolate, cakes and crisps and no sandwiches..
- We still have a handful of child arriving late each morning. Gates open at 8.40am and close at 9am. Children need to be in class no later than 9am please. Being on time for school ensures that they do not miss vital parts of their lessons..

**IMPORTANT REMINDER:** It's really important that you check the permissions & consents on your child's Arbor account. We still have a high percentage of parents who haven't yet consented/declined in the permissions sessions. This could mean your child is missing out! Please spare a minute or two to check the parental consents & permissions on Arbor. Thanks in advance.

### Message from Mrs Quinn

This week I have managed to get in to some of the classes to look at the work the children have been producing. They have blown my socks off and I am really proud! Luckily, some classes have managed to spend their lunchtime on the field this week, thanks to the sunshine making an appearance. Football rules have been reiterated to the children and if the rules are not followed, children will not be allowed on to the field.

I hope you have a wonderful Bank Holiday weekend. I will see you all on Tuesday.

*Mrs Quinn*

### Important Dates & Upcoming Events:
